

PERSONALIZED SIGNAGE :

Street name signs

Kalitec panels enhance the identity of your municipality with aesthetic street names and unparalleled durability.

BENEFITS

Robust

Manufactured from premium materials and paint to increase lifespan.

Easy setup

Quick installation on our poles or on existing structures. The Kalifix™ bracket is the only one that can be installed on numbered roads.

Aesthetic design

Aesthetic signage that gives a unique character and blends in perfectly with the environment.

Customizable shape

Graphic design free of charge offering different visual elements, supports, colors and dimensions to choose from.

PANELS FOR ALL TASTES

Decorative cutout

The plate cutout makes it possible to create a personalized concept at an affordable cost.

Cutout on decorative support

The decorative support adds an extra aesthetic touch.

Heritage box

The box signs have a rich, classic style and give a more voluminous appearance.
